MURELLA ¹⁰⁰

E' una collezione elegante, raffinata, che vuole catturare la bellezza e portarla in ogni casa. Le setose luminosità dei suoi parati, vi sapranno affascinare, insieme alle linee sinuose e morbide, dei motivi floreali e damascati senza tempo, qui però, rivisitati in chiave moderna.

It's an elegant, refined collection that wants to capture the beauty and bring it into every home. The silky luminosities of its wallpaper will fascinate you, along with the sinuous and soft lines of the timeless floral and damask motifs, but revisited in a modern key
