LUXURY BASE

PROTECTION

Prodotto storico firmato Zambaiti Parati, creato dal saper fare artigianale. Il supporto offre prestazioni eccezionali per il settore contract e residenziale grazie alle certificazioni di cui gode, in particolare per la resistenza al fuoco, il trattamento antibatterico e la resistenza alle abrasioni e agli urti. È estremamente piacevole al tatto per via dell'effetto rilievo generato dal processo di goffratura che riproduce una trama tessile.

A renowned Zambaiti Parati product, born from craftsmanship and know-how. This backing is characterized by astounding performances that make it suitable both for contract and residential use: it is freproof, antibacterial and extremely well resistant to scratches and blows. The embossing process gives it a lush textile look, very pleasant to touch.
